CMPG321 Semester Test Demarcation

Tuesday 10 September 2024 @ 14:00

Venue – check NWU Assessment timetable

Study Unit 1-5

60 Marks

1 Hour

Question 1 – Transaction Management & Concurrency Control [14]

Question 2 – DBMS & Query Optimisation [10]

Question 3 – Distributed Database Management Systems [14]

Question 4 – Business Intelligence & Data Warehouses [10]

Question 5 – Multiple choice (SQL) [12]

Extra notes on Semester Test:

Most questions are theory based and relate to What is, Name, Explain, Discuss, Describe, Compare

SQL Questions – You don't have to write SQL statements, but you will get SQL statements or related questions to analyse / deduce / explain it in terms of transaction management, DDL, DML etc.

Don't have to draw any diagrams / ERDs.

The important things said in class 😊
